The Peoria Illinois Regional Asian Carp Action Team has submitted a white paper alternative solution that identifies market opportunities as a more cost effective and more timely solution. We have been in constant interaction with Local, State, Federal leaders and numerous impacted parties for nearly 3 years. Our business model is nearly complete and has been reviewed by State and Federal officials. We are hosting an Asian Carp Convention on July 10 and a "Fying Fish Festival" on July 11 where we will invite key stakeholders to attend.
