COMMENTS

Public involvement is an integral part of Great Lakes and Mississippi River Basin Study. U.S. Army Corps of Engineers will provide groups and individuals with opportunities to offer their input.

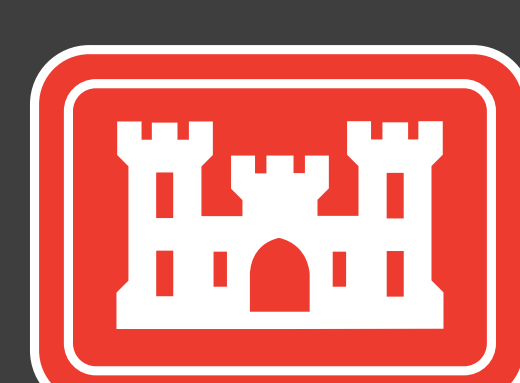

Web Comments

Type your comments at the on-site public comment terminal, or submit your web comments through the GLMRIS website.

Written Comments

Submit your completed Comment Form during the meeting or to the Chicago District, U.S. Army Corps of Engineers Office before the end of the comment period at the following address:
