I would like to have all of the carp. With \$50,000,000.00 I will build a company in these state and I will reduce the amount of carp and returning the game fish. I will put many people to work for years to come. I will havarst and reduce the numbers by the thousand if not by the millions if funded properly. I will make you all think diffrent about waisting these carp. I have desided all areas of this company, please send reply this is no joke.

Thank you
