

SUBMITTING PERSONAL INFORMATION: You must submit your first name, last name, and zip code for your comment to be considered. Any other information is optional.

WITHHOLDING OF PERSONAL INFORMATION: Before including your address, phone number, e-mail address, or other personal information with your comment, you should be aware that your entire submittal, including your personal information, will be posted on the GLMRIS Web site and included in the NEPA documents.

If you wish USACE to withhold your personal information from public view from the GLMRIS Web site and the NEPA documents, check the appropriate box below.

However, information withheld from the Web site and NEPA documents will be disclosed if required by law. Requests for disclosure of information collected will be handled through the Freedom of Information Act. Comments and information, including the identity of the submitter, may be disclosed, reproduced, and distributed. Submissions should not include any information that the submitter seeks to preserve as confidential.

Please note, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

Select your Privacy Preference:

☐ Don't withhold my personal information from the website and NEPA documents

☒ Withhold my personal information from the website and NEPA documents

If you would like to receive GLMRIS updates by e-mail, please subscribe to our e-mail list by visiting www.glmrisk.anl.gov.

Please write legibly so your comments can be recorded completely and accurately. Please complete and drop this form in the box provided at the public scoping meeting or follow the instructions on the front of this comment form. Comments may be continued on back page.

Dear Sir,

I am an avid fisherman of the Great Lakes. I do not understand why the ACF is having to do a 5 year study on a problem we know existed since 1993. Please help save our Great Lakes fishery.
