Dear Gentleperson:

I am asking for you to please do the following:

- 1.Study only solutions that will completely prevent the movement of invasive species between the Great Lakes and Mississippi River, and
- 2.Provide answers for the Chicago portion of the study within 18 months.

I look forward to the treasure of Lake Michigan and the Great Lakes for my son and future generations. Please take these appropriate action immediately to protect these resources for all now and in the future.

Thank you.
