Oh my goodness....why wait for all sorts of feedback...put a stop to the carp coming into the Great Lakes/St. Lawrence Seaway. The mighty St. Lawrence was my childhood home and now is my retirement home. Each year it seems we get closer to making the river unusable...zebra mussels, cormorants, raw sewage or bilge release by all these foreign ships... to name a few. Please take any measure to ensure the safety of the River/Great Lakes
