I am writing to urge the U.S. Army Corps of Engineers to recommend permanent chunk of land between the Great Lakes and Mississippi River basins in the Great Lakes and Mississippi River Basin Interbasin Feasibility Study (GLMRIS).

I am an avid fisherman and sea food consumer. Please save the game fish resource. I have seen the movies of these things jumping out of the water and will avoid any water way in which these fish reside.

Thank you for the opportunity to provide comments on the GLMRIS.
